Long Island Science Center

BRINGING SCIENCE TO LIFE

SCIENCE SATURDAYS!

Open to the public
<u>Every</u> Saturday
Play and explore over 30 hands on exhibits!
11am-4pm

UPCOMING THEMES:

March 2: Bone-a-fide Fun! Find out how many bones are in the human body. Learn what your bones say about you. Compare your bones to other animals. Make a Skeleton!

March 9: Under the Sea Special! Swim on down to learn about marine life. Participate in aquatic themed activities and crafts; win a goldfish!

March 16: Pet Care Day! The North Fork Animal Welfare League is coming to Riverhead this March and will visit the LISC today! Come in to learn how to care for your pet, make a craft to take home and meet some adoptable animals from the NFAWL!

March 23: Springs Hatching! Join us at the Science Center to see our baby chickens! Learn about other baby animals born in the spring season!

March 28, 29, & 30: Lets Plant Spring! Visit us during the spring break to learn about what's growing this spring! Participate in activities and make your own planter to take home!

April 6: Story Laboratory! Listen to stories, participate in experiments, make Science Crafts and buy cool books. Enter in our book raffle!

April 13: Dinosaur Dimensions! When giant reptiles ruled the Earth! Come in for Dino themed activities and crafts!

April 20: Earth Day Celebration! Learn about Going Green, Conservation, and preserving our amazing planet! Receive a tree seedling!

April 27: Insect Invasion! Visit us to learn all about our 6 legged friends! Join activities, make crafts, and hold our hissing cockroaches!
